

WHAT TO WEAR FOR DANCE STUDENTS

Dear Dance Families -

We have upgraded our practice attire so that it will fit into our Celebration of Worship Events where we will just be adding accessories for costumes to identify each class. If your leotard still fits and is the right color for your class - you can totally reuse last year's! We are partnering with Belissimo Dance Boutique. They are an amazing small business and offer the same exact prices but our dancers get to go in and try everything on for perfect fits!

Pink Ballet Shoes:

- We recommend Bellissimo ([Bellissimo Dance Boutique](#))
- Trying on ballet slippers and leotards before purchasing is highly recommended for correct sizing. Since ballet shoes run differently than street shoes, that's the best way to go. Any canvas stretch ballet shoe will work, however our recommendation is the **So Danca Bliss** or the **Capezio Hanami** Ballet Slipper (both are a stretch canvas shoe) — **it should fit like a sock.**
- These can also be ordered online at [New Song Christian Academy - BELLISSIMO](#)
- However, ordering online will most likely result in shoes that are too large or too small. Dance shoe sizing does not match street shoe sizing.

Tan/Nude Colored Tights:

- We recommend these options! Girls: [Youth Tights](#) Women: [Adult Tights](#)

****Please Note:** If shopping for items online with Bellissimo and something shows as “out of stock” please call the store (615-674-5484) and place your order over the phone. They will call you as soon as the items are back in stock and can still ship to you at that time if desired.

Thank you so much for your partnership in helping us create unity and camaraderie in each of our dance classes!! It's going to be a great year!
